SAFETY REPORT:

Gary R. reported by electronic means that no new news of safety issues for the past month.

FIELD REPORT:

A layer of snow is covering our flying field with little to no flying activity being performed.

OLD BUSINESS:

- KB reported that there was no activity performed on obtaining a new tax exempt number.
- Our existing web site domain name “yorkrc.com” has been purchased by Alan alloway our current Website administrator rather than letting it be turned over for public purchase. Alan sent a lengthy email to TD explaining his actions and reasoning for doing this. So Alan is now the official owner of “yorkRC.com” domain name. TD will be in Touch with Alan to determine further actions from our club if needed.
- KB has been working on new our site under domain name “yorkRC.org” he has asked for comments on Layout of our new site. He is also working on making this new site searchable under Google, Yahoo etc.
- Our float fly date has been approved by County Parks department for June 14, 2014 Lake Redman at the Intersection of Spartan and Hess farm roads. The event is currently broadcast as an all electric event. Club members will talk to the parks department to see if nitro planes can be permitted to fly in this event. Until then, we will be progressing on with an electric float fly. If it will be an electric event the name will Be “E-wings over Lake Redman”, If we obtain approval for nitro planes we will continue with the past Event name “Clifford Daniels Memorial Float Fly”
- Set up for the Motorama event at the Farm and Horse show pavilion will occur 2/14/2014, the event is on 2/15 thru 2/16. 5 club members have volunteered to help Jeff Winemiller with this event, each member Will be given a free 2 day admission ticket. Members will also performed club advertising and new Member recruitment activities as well.

NEW BUSINESS:

- The establishment of our 2014 club activities has been rescheduled till our March meeting due the Impending snow/ice storm.
- A motion was passed to re-charter our club with the AMA and pay all fees associated with annual event.
