FIELD REPORT:

Our Cub cadet is OOS, throws mower belt. Bill Landis has mower and is checking it out. Our field tent has
Been blown over, Gary Rodriquez has volunteered to make new larger stakes to hold tent in place.
We need to resume our search for a flying field as Mr. Musser has been in poor health lately. And it is Believe that if he passes, the farm will be sold for real estate.
The Clover on the field is becoming somewhat of a concern. We may need to spray large patches of clover to
