Approval of the Minutes

December Meeting Minutes were read and approved without changes

Treasurers Report

No report

Committee Reports

Field: No Report

Safety: No Report

Old Business

The field has been packed up, and placed in the shed except for the some of the flight benches (see new business for further information)

Bill Landis reported he found a company to transport our shed to the storage site for \$350. The shed would have to be emptied before being moved. Motion was made and passed for Bill set up a date for the shed to be moved.

On Sunday January 13, 2019 We will have a work detail at the old field to empty the shed and transport everything to the storage site.

Bill Landis has not been able to meet with Adam Barefoot to transfer the club book. Bill will make another attempt to get with Adam.

We continue look for a new field.

New Business

Information became known that Stan Musser had issues with the Club. The first issue was that we placed the flight benches that we were not taking on the burn pile. The second issue the club owned money for Field rent. Ryan Heindel provided the club with copies of the check and receipt for the June rent payment. Tom Duffy contacted Stan to resolve these issues. He was told Mrs. Musser gave us permission back October when we were told we needed to remove our property by December 31, 2018. Tom provided Stan Musser copies of the phone records, check, and receipt. He said he would get back to us. The consensus of those at the meeting Mrs. Musser forgot about the call and giving us permission to use the burn pile.

York Area Radio Control Club

Thom Anderson reported we took certain items when we cleaned out the Snack Shack that did not belong to the club. They are one DX-5 radio belonged to Joe Galloway's father and he would like it back. The yellow extension cord belonged to Tim Barefoot. The white Benches belonged Ryan Heindel. We agreed to return those items to Thom when we empty the shed on 1/13/2019.

A motion was made to donated the Spot-A-Pot to the Wingnutz. The motion was seconded and passed.
