Committee Reports

Field Report: A pilot station has been built, and will be brought to the field in the near future.

Safety: Nothing to report

Old Business

We continue to make improvements to the field but more needs to be done.

New Business

Roots for Boots has approached the club and asked us to participate in Operation Wings and Wheels on August 24, 2019. We will be provided a double booth for plane display. We also will be presenting a flying demonstration. See attached sheet for more information.

We will be making changes to our field regulations due to the club field is now on a private air field.
