### Approval of the Minutes

March meeting minutes were approved as read

### Treasurers Report

Previous Month	\$850.20
AMA Charter	\$95.00
New Total Balance	\$755.20

### Committee Reports

Safety Committee: There were several plane crashes due to dumb thumbs. The only damage was to aircraft fortunately.

Field Committee: Bill reports the electric and water project has been completed. Our field has full electric and running water for our use. He also reported the club house has been cleaned, the refrigerator, and AC work. The shed needs a new roof.

### Old Business

Since there were no meetings because to Covid- 19 there was no old business

### New Business

A question was raised as to why we need to keep the Solar Panel and generator since the field now has electric and water. Both items were purchased to supply electric when we were at the old field. The solar panel was supposed to be used to build a solar charging station. Unfortunately, the former member that was going to build the station failed to do so. This has been tabled for a future time.
