New Business

The annual field work day will be Sunday March 1, 2020 at 11 o'clock. This will also be the March open membership meeting. Bill Landis will develop a list of things we need to do at the field for our next meeting. The club will be providing lunch, and drinks to all that attend.

A discussion was had about the AMA charter and the pros and con of our membership belonging to the AMA. A motion was made and seconded to approve renewing the AMA charter.

There was a discussion concerning the proposed Drone ID requirement rule. Members are encouraged to voice their opposition to this rule. This can be done during the comments phase of the FAA proposed rule change.

The club received a letter from the IRS about our 2018 tax return, apparently was not filed. Since the individual responsible is no longer a member of the club, Keith Brackin was tasked to look into the matter and to take corrective action.

Tom Duffy reminded all members it is time to pay our 2020 membership dues. These dues are \$40, and for those over 62 are \$30.
