Committee Reports

Safety Committee: Nothing to report

Field Committee: The shed still needs to be leveled. The gas generator has been transferred to the shed. Bill checked it out and it is ready to go. We need to check with Cliff about the grass cutting. We will need our area cut shorter than the regular runway. This is necessary for Tom's jets.

Old Business

Tom finally received the charter renewal packet from the AMA. The application has filled out and sent back with our check. The membership agreed paying insurance for any event held at York Park areas

New Business

Tom reminded everyone to check your lipo batteries, and planes to make sure they are ready fly when you are.
